**Old Business:**

**Motion #1:** To bring back to groups whether meetings in another area should be left on our meeting list.

**Intent:** To clarify this issue and give groups chance to make an informed decision.

Submitted by: Sam                      Seconded by: Brady T.

**Financial Impact:** \$ 0.00      **Change in policy:** Left Blank

**Motions passes**

**Open Floor:**

**Lindsey – Lit money** - As most of the people in this room know, between Jan and Feb the literature bag was stolen out of an unlocked car. The bag contained approx. \$500 cash, three checks made out to Senana literature, and literature account atm card. It was said by John that \$50 a month would be paid back. Just clarifying for myself, individuals, and all the groups how many payments have been made? John – No it has not, I have some personal financial things at home, from this time moving forward I will be including in my report. I know that next month I will be making at least the \$50 back. Nic – I just want to add to that by saying that that is some of the reason that we can't get it together, it seems we are still playing catch up.

**Krystal – Activity flyers** – My group wanted me to bring to the area that we didn't have flyers some of the other groups did. Shellie – One thing we have done min the past, is that activities went to every GSR that was here, and then packets were compiled for those that were not here. It seemed to help get it distributed evenly. Chad – I mean I can tell you my personal feeling on it but with the incorporation of facebook, it seems easier to just post it. I thought I could reach more people that way. I know we have struggled getting flyers to meetings. I believe some of that falls on the GSR to get those flyers. Some of this could be handled with a phone call.– Sam – I have to say that the problem seems to be addressed this month, there are more here than I have ever seen. I know that they have a new person that is in charge of flyers that has been doing a great job. I do believe that some falls on the GSR too. We are here to help each other out. Jan – We have a binder that we leave and we have a board. Newcomers are not on there phone or online looking for the flyers, I know that I'm not. I do need those hard copies. Members do have to take some responsibilities. Shellie – Giving out flyers is just some thing that we have done in the past.

**Informed decisions – Shellie** – Our area has been kind of hit and miss on informed decisions. We don't get to make informed decisions on a personal level. I think people should get to see the rational. I feel like we are getting only one side of its. Lindsey – Do you have a solution? Shellie – In the minutes I feel like we could at least put in the pros and cons, I feel it needs more than the intent. Kim – So just real quick, the minutes are supposed to just be a quick overview of what

happens here at area, it really comes back to GSR's, you should be taking notes, and giving your group a report of what happens here. That's the other piece of how an informed decision gets made. I do like the idea. As a GSR it is my responsibility to talk about what happened here. I know that there are people out there who are really not informed.

**Region business:**

<http://www.nebraskana.org/>

**New Business:**

**Motion #1:** To form an ad-hoc committee

**Intent:** Research and provide info to the area on alternative options to the current phone line service.

Submitted by: Lindsey                      Seconded by: David

**Financial Impact:** \$ 0.00      **Change in policy:** No

**Motion Passed David N to chair Ad-Hoc**

Lindsey – I can't say what's more important PI or HI, it really depends on who you ask, I just would like to do some research see if there is some more cost effective options out there. David – As treasurer, I went through to see where most of our spending is going, most of it is going to the phonenumber. I would like to see if there is a more effective way to do this. Jenny –I have asked around to other areas, there seems to be a lot of options. Sam – I want to let you know a little about how the phonenumber in our area works, I absolutely encourage anybody who opinions or experience to please show up. This is the most expensive in the region, we are the only ones who use a answering service.....went through some benefits and cons..... please don't look at in dollars and cents. Howard – Are primary purpose is to carry the message to the still suffering addicts, I believe that the phone number is the same since 1982. I believe groups not showing are our biggest problem. Shellie – We had that number long before we had a answering service. Chad I believe that in rebuttal to David, if the only reason that this is coming up is because we don't have any money some of that comes from more and more groups buying lots more basic texts, therefore the money is going to literature instead of area... Research it. John – I do want to clarify that the answering service does not guarantee a Female to female caller, but ...explained the process of rotation.....If it goes through the entire Female list then the service asks if the caller is ok with talking with opposite sex. One number that the report does not generate is the amount of callers that called and only received meeting information. There may have been 10 or 500 we will never know. We encourage research, we have looked at that and I would encourage everyone here today to participate in that ad-hoc. Shellie – We had an ad-hoc committee for CBDM, and I guess I would like to see more information about what is done with the information.

**Motion #2:** One time purchase of a receipt book \$7.88 on Amazon.com and \$12 for the printing of more order forms for the area.

**Intent:** To buy supplies to help literature continue to operate.

Submitted by: Nic B                      Seconded by: Bekka

**Financial Impact:** \$19.88      **Change in policy:** No

**Withdrawn motion (MEMBERS PRESENT STEPPED UP AND DONATED)**

**Motion #3:** To add to policy sec. subcommittees sub sec. 2: h) Literature referred to by the PI committee in presentations will be NAWs printed.

**Intent:** Our area and subcommittees are not included in FIPT N(Fellowship Intellectual Property Trust), only groups.

Submitted by: Kevin S.                      Seconded by: Bekka

**Financial Impact:** \$ 0.00              **Change in policy:** Yes

### **BACK TO GROUPS**

Kevin - I was told to by a staff member from a treatment center that PI presented and when asked about literature the staff were invited to a specific meeting and told they could come get reprinted material. Bekka – I don't really know much I did hear from that same staff member about that. I would just like to do things right. John – Without having the people who made the claim. The discussion was about getting literature for clients, it was said that a group, Sunday night ladies and gents will give a reprinted basic text without the stories to anyone that needs one. There is also other groups that would give a hardcopy to them. Kevin – The statement that was made was that if clients were sent to a specific meeting they could get reprinted material. 25% is the rule. Jenny – A presentation should not include personal opinion .... Sam – I was there, the PI did not say that area was ok with it nor did it say it condoned it. We should just stick to guidelines. Shellie – As a general rule, no one permission to reproduce literature without prior permission from NAWs, it goes on to give explanations. Nikki – I don't have any idea what's going on, I do know that they (St. Moincas) are passing out NA literature, including basic texts. Jan – I do think that the groups is breaking the FIPT

**Motion #4:** To include at least 2 pros and 2 cons with motions.

**Intent:** For groups to be able to make informed decisions. There is currently no “discussion” included in motions.

Submitted by: Shellie                      Seconded by: Jan B

**Financial Impact:** \$ 0.00              **Change in policy:** No (No current policy)

The Elkhorn Valley Area to host NRCNA 2019 in Norfolk October 4,5,6 2019. Dawn B. is nominated for the NRCNA 36 Chair (bio attached). Letter from the hotel to follow:

Thank you for the opportunity to do this proposal for the NRCNA Convention. Our “Bid Proposal” highlights what our property can offer and we would very much like to serve your group and would be able to offer the meeting space at no charge. We are excited about our new addition which offers some very nice amenities, an additional two great meeting/ social areas and indoor “green space”, as well as a spa, plus 38 additional rooms. I have included the proposal for year 2019. Guest rooms are \$91.00 per night plus 10.5% tax (5.5% state and 5% lodging taxes). We are also doing 3 complimentary rooms for up to 3 nights each.

Hospitality Room is being furnished at no charge and all meeting space is complimentary.

No down payment is required and there is no criteria to be met

regarding meeting room night totals. In 2014 your group booked 62 rooms for an average of 2 nights each. I did increase the room count to 72. The rooms do “fall off” or become

available to the general public after September 19, 2019. Until that time they are reserved specifically for your group. We will do the first 9 gallons of coffee complimentary. After that, the cost is \$22. Per gallon for coffee. Providing space for merchandising is not an issue.

It looks like we may have used the Nebraska Room for auction items when you were here in 2014. On the Conference Center side, you will be

billed for food and beverage only. I do not believe there are any hidden charges. If there is an additional component or something that you would like to see as part of your event, please let me know. We do have the large firepit in the tent that is great for gather around, plus two outdoor fireplaces that work for cooking Smores. If you have any questions, please feel free to call. My cell phone is 402-649-0699. You may also reach me at my office extension, 402-

844-2988, or by email at dherrick@divotsconference.com . Fax number is 402-371-8007.

Again, thank you for your consideration and we hope to see you in Norfolk!

Passed by consensus to take back to Groups.

**THIS NEEDS TO GO TO GROUPS FOR FINAL CONSENSUS**

Hi, my name is Dawn Boerngen, and I am an active member of Narcotics Anonymous. I have actively chaired my home group, Tuesday Night Serenity Seekers, on and off at different times throughout the years. I have also been Treasurer of that group a few different times, and am currently the Treasurer and GSR of that meeting.

I got the privilege of being a Committee Member and did registration for the NRCNA 31 convention, held in Norfolk in 2014. I have an amazing sponsor, I attend meetings regularly, I have worked all 12 Steps several times, and am knowledgeable of the 12 Traditions and 12 Concepts. I sponsor several women, and one of my biggest passions that I have been blessed to do, is that I get to do H&I. I have taken meetings into Madison County Jail since 1997.

With great pleasure, I have been nominated to chair the NRCNA 2019 that we hope will be held in Norfolk. By God's grace, amazing sponsorship, and the program of Narcotics Anonymous, I have been clean since September 29, 1989.

Thank you, Dawn B.

DIFFERENCES BETWEEN PROPOSED POLICY AND OLD NRSCNA POLICY – By adopting the Proposed Policy, the groups will be accepting the following changes to the Nebraska Regional Service Committee Policies, including the new changes listed below, that were recommended at the July, 2017 NRSC. Significant Changes: -Cover sheet added -Table of Contents added, and pages numbered, to make the Policy more user friendly -Twelve Traditions

and Twelve Concepts added -Sections I (Agenda) through VII (Finances), have been re-formatted and numbered, in order to better identify each item under the respective sections and sub-sections. Minor grammatical changes have been made where needed. -References to Roberts Rules of Order were removed, and replaced with Consensus Based Decision Making Guidelines added (Guidelines based on our January 2017 General Assembly recommendations) -Addendum A added (CBDM Flow Chart and Color Cards) -NRSCNA Timeline named "Addendum B" -NRSCNA Budget names "Addendum C" -NRCNA Guidelines were added to the Policy and named "Addendum D" Other Changes: -"Purpose", "Procedures", and "Miscellaneous" statements were moved to the front of the document, prior to the "Agenda". Also, "Definition" was added, based on another Region's policies, to identify the function of the NRSCNA. -Dates of any revisions made to our Policies since it was last formally updated (April 2014), have been added. -Budget item timelines were changed to reflect quarters for financial needs of Regional Delegation team. New Changes recommended at July 2017 NRSC: -CORRECTED NRSCNA Timeline (Addendum B) to reflect 2-year terms for the RD and Alt RD. It currently refers to 4-year terms. Intent: The Timeline was never corrected when terms for RD and Alt RD were changed to 2-years. Financial Impact: None -CHANGED budget amount for Secretary, from \$150 per quarter to \$50 per quarter. Intent: Secretary no longer makes hard copies of minutes and mails them to NRSC participants. All work is sent online. \$50 should be sufficient for any incidental costs. Financial Impact: -\$100 to budget needs -REMOVED responsibility of Secretary to be facilitator of the General Assembly, keep minutes of the Assembly, and report them to the RSC; ADD these responsibilities to the duties of the Vice-Chair, to read, "Vice-Chair, or designee, is the facilitator of the General Assembly, keeps minutes of the Assembly, and reports them to the RSC". Intent: The Vice-Chair is responsible for opening the facility for the General Assembly and is present. The Secretary is historically not present at that time, and has sufficient duties in keeping the minutes of the NRSC business meeting. Financial Impact: None -CHANGED both RD and Alt. RD responsibilities to remove reference of .40 cents/mile mileage reimbursement, to read, "Will be reimbursed trip mileage, from RD budget, based on receipts for gas". Intent: RD and Alt. RD gas expenses can fluctuate wither higher, or lower than .40 cents/mile, based on their mode of transportation. Financial Impact: None. The RD team has a set budget. -REMOVED wording "elected by", under "Voting Membership" (IV,D,a). Intent: For clarification, since the Areas elect the RCM's and Alt RCM's. This statement should read,

“Voting members of the Region will be the RCM’s (Regional Committee Members), Alt. RCM’s, or a duly appointed representative from each Area in the Nebraska Region”. Financial Impact: None -REMOVED the policy to form the Standing Convention Committee for NRCNA, which was added 01/2016 (VI,G). Intent: This policy was adopted, without any idea of who, or how this Standing Convention Committee would work, and has never been used since it was adopted. Financial Impact: None

**RCM-Alt: Open**
