Open Floor:

Yellow pages-Shellie- There is quite a discrepancy in the yellow pages advertising, is this only in Lincoln or in surrounding communities? John- As the PI contact, on our current financial assessment it is listed as Vivial and Windstream. We have three placements that cover three surrounding geographically areas. There is no way to tell them to shrink their coverage. Vivial is for the areas outside Lincoln coverage.

B.R.V.A.N.A. – Shawn – We now have our own area, groups who have taken a group conscience and decided to create a new area. Fairbury is part of our area. We meet once or twice depending on service needs. Our communication line to our groups is still lacking as we are new. There is a lot of willingness from newcomers. We just want to further our primary purpose. There are some needs. Thursday night at 7 pm in Fairbury has joined our area. We are trying to move forward. John – So do you want to be removed from the meeting list? Shawn – I would like to keep it on, as far as information. It doesn’t have to be, I believe it is shared information. The more we reach the still suffering addict about where we meet is important. I don’t know how you want to handle it. Chad – I guess I would ask the PI treasurer if there is any extra costs involved in keeping them on the list. If not I believe they should stay on there. Howard-If we could just do a vote right here? Brady – Speaking for Hebron meeting, I would like to be included on your list, being your geographical neighbor. Shawn – Yes, we are printing new ones.

John – There would be no additional cost, we are reprinting soon as a meeting time has changed.
Jan – You may want to inform region, as they do not print as often.

Reprinting lists – Kim – Are you going to reprint as one meeting has changed the time? John – PI has been doing that for a number of years. Would you like to change each meeting list? Bryan – I don't see a reason to reprint, that cost money. I believe this comes on the group's responsibilities to let people know. John – The GSR's at this committee have directed PI via the approval of the budget to reprint every time there is a change. Shellie – Isn't there a statement about the nature of our disease and that the times may have changed for meetings? John – It is not, we (PI) believe that we should not make an excuse. The subcommittee feels wrong information is worse than no information.

RCM: SENANA RCM Report – June 2017

Good afternoon SENANA: It appears there is one thing that needs group attention. Several proposal votes were cast at the last region to add to the NRSC policy. The policy has since been reformatted to include those. Below my report & attachment in the area minutes will be the entire document that needs group consensus.

Also at the end of my report today will be the note from Diane K. explaining what is needed. Please take this back to your groups & possibly use a couple business meetings to provide this information. I would suggest giving them a copy or access to it one week and then get their consensus/vote at the next meeting.

Literature: Greetings All, 4 June 4, 2017
 The literature subcommittee has recovered from the ‘backorder fiasco’ of the last 2 ASC cycles with the wonderful assistance from Nic B. and Bekka W. THANK YOU BOTH!!!!
 Also, THANK YOU to those who have helped at the ASC meetings to fill orders. The only names I can bring to mind are, Krystal and Bekka but I’m sure there were others and I apologize for not recalling your names but your service has not gone unnoticed, THANK YOU!!!!
 Deposits were made for the April & May ASC cycles which brought the account balance to \$1,708.46
 A literature order was placed with NAWS in the amount of \$1,417.28 leaving a current balance of \$291.18

At the time of writing this report, there was only one literature order emailed to the subcommittee this month and I would like ask all groups that can to **PLEASE PLEASE PLEASE** submit your orders via email to literature@sena-na.net
