

THE THERAPEUTIC VALUE OF ONE ADDICT HELPING ANOTHER
IS
WITHOUT PARALLEL

Come learn to help the still suffering addict via the Phone line:

Saturday March 31st at 12 pm

6 months clean and current phone line training are
the only requirements to be a phone line volunteer

We are in real need of volunteers especially female

If you are a current volunteer you will need to attend this training
All volunteers need trained every 2 years
