Sent to Policy – New motion (#2) Listed Below

Greetings All,

8 January 2017

During the ASC meeting of 4 Dec 2016 a motion was made to modify the SENANA ASC Guidelines with regard to the meeting agenda item 3. Specifically, “Section III, 3.”

While it is the position of myself, as well as all previous Policy Chairpersons/Subcommittees, that this portion of the guidelines requires neither ‘correction’ nor ‘clarification’ I am acting as directed by the ASC Chairperson.

Original motion verbiage:

If said person or proper representative, arrives prior to the ASC Meeting being adjourned, the person keeping the “Roll” is directed to show them as ‘Present’.

If this person has either a report or information pertinent to their position or representation, said input shall be allowed at a time, prior to adjournment, deemed appropriate by the Chairperson.

Open Floor:

CBDM (consensus based decision making)-Kimberly- We just got all this information on Roberts Rules of Order, and I would like to let you know there is another way to do it. Region has switched to that way of running business. Region will be hosting a training on CBDM. I have been to several trainings and I would like to put it on the floor to get people to start thinking about it. I have information on it and what it is, both the for and against and why it might be prudent for our area business. I know some groups have thought about going that direction, I know my home group is looking at changing the direction of how we conduct our business meetings. I will be bringing more information back, there are other ways to do business. John – I agree with Kimberly, it can be very streamlining. It can take out the drudgery out of area or any business meeting. There are many types of it. Do so research, there may be a format that you can fall into line with. It has morphed over time. If you find yourself in line. Chad- I have

experienced it, the CBDM, I went through a workshop, from a lovely lady from North Platte. Just like anything, if you don't define something before using it, there will be problems. I like the fact that it is adjustable and you can modify it to work in your area. Chris- So would this change the policy? Kim- Yes Ethan- I would like to see some groups get more information on this and make some sort of commitment. Kim- I just want to define this, Consensus based decision making is defined as an acceptable resolution that can be supported if not the favorite of each individual. Consensus is defined by Merriam Webster first as a general agreement, second as group solidarity or belief. Translates from Latin as "feels together" What I like about consensus based is it promotes more unity with the group involved. You have to have a strong facilitator. John – Consensus based decision making would bring more of your groups position to this body. Kim- As GSR's we are trusted servants, so if no one is coming to your homegroup, you are the trusted servant. I think it would be a more unified area. If you're not having a business meeting, then why are you here? I have a power point that my sponsor has given me I can present at any time. Sam- I agree with consensus based decision making but it is something that needs training. Do some research. Eric- Just to follow up on what Sam said, I like the idea of people having more of a voice, you do have to look at the time frame and how to run that. Lindsey- Is this the first time that this has come up to this area? Kim- No, this is the second time in the last 6 months. Chris- It sounds like it may increase participation in your business meeting.

Debbie- Literature next month – Is anyone going to take orders, or do we still send orders to the email? Kevin- Yes, I think that would be John R. Kim- Someone will be checking those. Debbie and I would be willing to volunteer to pass out literature. John – Yes, it is my responsibility in lieu of someone being elected. Kevin – that leaves one thing for us to figure out. I have all that Amanda left me, who does that go to John or you (Kim)? Kim – I would lock it up John – The only thing say against locking it up is I don't know right now if we need an order placed. I would prefer to take possession of what Amanda left. I know my group has a piece of literature backordered, and some others may as well.

Chad motions Steve seconds motion for more time

Audit Literature- Steve R- I believe that it is standard procedure to audit the literature after a term. A financial and material audit. Kevin – John and David will you do that? Kim – Can anyone attend the audit? Kevin- Yes as long as the treasurer and John are there Chad- To be in accordance with our guidelines everyone should be audited in February.

Region business:

Motion 1: Great Plains area put forth a motion that they would like to hold NRCNA XXXV October 5,6,7th 2018 in North Platte, and they would like Deborah T to be their chair.(bio included below) (contract proposal synopsis will be included at the end of the minutes)

NRCNA XXXV CHAIRPERSON BIO: I am an addict my name is Deborah T. I have 8+ years clean. I have a sponsor, I work steps, and I have sponsee's that work steps. I have been of service in NA my whole 8 years clean as chair, treasurer, and H & I. I am currently RCM for the Great Plains area. I have a former convention chair that is part of my home group that is willing to mentor me thru this. ILS Deborah T.

Motion Passes

Motion 3: From Treasurer: Proposal: One-time payment of \$100.00 dollars for a year subscription to QuickBooks online. Financial Impact: \$100.00 Intent: To ease the burden on treasurer by allowing finances to be managed by a cloud service that does not require a laptop and a printer to be hauled to Region (PDF reports can be generated and emailed to everyone, including the secretary), as it can be done on a cellphone or tablet. This decreases the technology, physicality, and financial burden on the treasurer. It also increases transparency by allowing a hosted service to track our finances, to which other committee members can log in and bank reconciliation can be done automatically from any cell phone. This will be a 1-year Trial, so if it works it can be made part of the budget next year. For now however we are only asking for enough for a 1- year trial. The monthly cost after that should we choose to continue will be based off of our determined needs at that time. (TAKE BACK TO GROUPS)

Motion Passes 5-4

Region Nominations:

Tommy N for PI Chair. Since he is already in the position no bio is needed. (TAKE BACK TO GROUPS) **Affirmed**

I feel comfortable with this nomination, as have been attending region meetings for a few years now, just can't seem to stay away! I talk to my sponsor regularly, have worked the steps many times, {currently in a set of steps}. Have studied and continue to study and use the traditions in my life. I have working knowledge of application of the concepts. I sponsor ladies, support my home group and attend 2-3 meetings a week. Previously I have been honored to be the Chair for NRCNA 30, Registration Chair & on merchandise committee for NRCNA 24. Policy: Greetings All,

As Policy Chairperson, one of my duties, as directed by the SENANA ASC guidelines is "To help keep things simple and avoid difficult situations regarding policy questions and issues." In following this direction I provide the following information.

1. It has always been the position of the current ASC Chairperson that our ASC must conduct business under the current Robert's Rules of Order.
2. This position has lead the current Chairperson to take actions, make rulings and restrict the conduct of various members of the ASC.

Those actions, rulings, restrictions and conduct will not be addressed here; however the fact of the incorrect basis for them will be.

That said. I refer to the first page of the handout you received labeled page 104. In the first paragraph you will see these words; "...your committee may wish to make a blanket decision to accept these rules as authoritative." Our ASC has not as of this time, made any such decision.

There are only five (5) references to Robert's Rules of Order in the A Guide to Local Services and they appear only in the pages I have included in the handout.

Based on those facts, my consultation with previous ASC Policy Chairpersons & subcommittee members. I make the following recommendation;

From this point forward, any actions, rulings, or conduct by members of the SENANA ASC which are claimed to be based on Robert's Rules of Order be considered "Out of Order" and only the current SENANA Service Guidelines be used to conduct ASC business.

There is one other, or many actually, the ASC body could take with regard to this issue. That being, "make a blanket decision to accept these rules as authoritative." "These rules" being those contained in the handout labeled "Sample Rules of Order".

There are points that beg to be made notwithstanding, with regard to making such a decision;

1. Some of the "sample rules" contradict what our current ASC guidelines state.
2. Regarding issues that are not specifically addressed by the "sample rules" the ASC would be directed to consult Robert's Rules of Order and act accordingly.

In closing let me say this; over the past 10+ years the functioning of our ASC has been for the most part uneventful. It has though, seen several 'bumps in the road' if you will, regarding procedural conduct. It is my position that using the current SENANA Service Guidelines to base our ASC conduct on will afford us a much 'smoother ride' along the service road we travel. In trusted service, John R. SENANA Policy Chairperson

Literature: Hello family, first off I want to say thank you for allowing me to serve as literature chair for the past 2 years. It has definitely been an experience. This month we made a deposit of \$706.30 and a literature order for \$657.76 leaving a balance of \$111.48. In loving service,
Amanda N
