

The South East Nebraska Area of Narcotics Anonymous
Activities Committee
2018 Inventory

Our activities Committee provides a clean and safe environment for picnics, dances, and other opportunities to socialize.

Possibly the most important function we provide is the venue and opportunities to serve other addicts and have fun in recovery.

As a committee we should regularly complete a committee inventory to ensure we are serving the intended purpose of this committee. An inventory will clarify where the committee is performing well and where we are falling short.

The following is an inventory form from the WSO, it has a history of being useful, is easy to fill out, is thorough, and easy to interpret.

However we only get results if we participate, as in our lives and our recovery it only works if you work it!

Please send your completed inventory results to senana.activities@gmail.com.

Thank you for your help.
