HOSPITALS & INSTITUTIONS (H&I)

GUIDELINES OF THE SOUTHEASTERN NEBRASKA AREA HOSPITALS AND INSTITUTIONS SUB-COMMITTEE OF NARCOTICS ANONYMOUS REVISED NOVEMBER 2018

DEFINITION AND PURPOSE The H&I Sub-Committee of Southeastern Nebraska Area Service Committee is a group of men and women who carry a clear and focused message of Narcotics Anonymous to people in hospitals, jails and other institutions where addicts are not able to attend regularly scheduled meetings. We are recovering addicts from the fellowship of Narcotics Anonymous who believe in the concept: "TO ASSURE THAT NO ADDICT SEEKING RECOVERY NEED DIE WITHOUT HAVING HAD A CHANCE TO FIND A BETTER WAY OF LIFE. FROM THIS DAY FORWARD MAY, WE BETTER PROVIDE THE NECESSARY SERVICES."

This concept should always be our primary purpose. This concept will ensure that when an addict who is housed in a correctional institution, hospital, or recovery house reaches out for recovery: Narcotics Anonymous will be there.

This Hospitals & Institutions committee is a subcommittee of Southeastern Nebraska Area Service Committee and is directly responsible to that committee.

Ex-residents of any institutions must have the proper authority and meet the clean time requirements set by the facility and H&I to participate at the facility. Care should be taken not to confuse alumni responsibilities with H&I participation.

It shall be the responsibility of the panel leader to ensure that all addicts attend any H&I meetings/presentation fulfill the necessary requirements and that all are familiar with these GUIDELINES and PROCEDURES.

These GUIDELINES and PROCEDURES are submitted for the guidance of the H&I subcommittee so that a smooth and consistent program can be maintained for the benefit of addicts being served in hospitals and institutions. Any unusual situations that might arise should be discussed with the elected officers of H&I who, in turn, will take steps to obtain clarification from the facility authorities. Individual members of H&I should not attempt to discuss any problems encountered in a meeting/presentation with the personnel of the facility in question. Communication with the facility is the responsibility of the vice-chair. Adherence to these guidelines will minimize confusion and misunderstanding within the H&I committee and the facilities we serve.

Failure to comply with any facility's regulations could result in the cancellation of the H&I meeting/presentations scheduled in that facility. Most regulations covering facilities are clearly defined by statutes. Violations of regulations could bring legal action against violators and put N.A. in a bad light. REMEMBER: your actions reflect

on N.A. as a whole. More importantly, adverse performance could well deprive an addict the miracle of the Narcotics Anonymous message.

- 4. Any N.A. member who is involved with a given facility on a professional or volunteer basis should not participate in the panels serving the addicts in that facility. This is intended to avoid possible conflict and/or the resulting damage to: (A) An inmate or patient inside (B) The working ability and privilege of the subcommittee to carry the message inside the facility. For these reasons, no H&I member will personally interfere with or use influence in any facility. No H&I member will make any comments or promises regarding employment, parole, probation, or medical problems. 9. Any member of the H&I subcommittee on parole/probation will only be allowed to participate in or attend H&I meetings in any facility being served by the subcommittee only with the expressed clearance of the authorities of the facility and possibly the approval of their judicial officer, if applicable.
