LITERATURE:

Good afternoon SENANA,

We want to thank you for continuing to send us your orders via email before area! We wanted to share with you a message from NAWS: We are writing to let you know we are temporarily out of stock of hardcover English-language Basic Texts, as well as some other items, in our Chatsworth and European branches. We will not be able to accept orders for the English-language hardcover Basic Text until 15 October.

As of this writing, we still have soft cover Basic Texts in stock in all branches, and don't forget that you can stream or download audio of the Fifth Edition Basic Text in English for free at www.na.org/audio. We are doing our best to mitigate the effects of circumstances beyond our control

ranging from challenges sourcing raw materials to delays in shipping and in unloading shipments at ports. Nonetheless, these circumstances may affect stock of other items as well. We apologize for the shortages and appreciate your patience.

Yours in service,

World Board" That being said what we have for basic texts is all we have until further notice. Thank you for your patience and cooperation in these trying times.

In loving service,

LIT COMMITTEE
