EXECUTIVE COMMITTEE REPORTS

CHAIR: Nothing to report.

VICE CHAIR: Nothing to report.

SECRETARY: Hello SENANA Friends, I would like to remind all Executive Committee members, Subcommittee Chairs, and Groups to submit their reports to secretary@sena-na.net *prior* to the day the area meets. This is best practice for all. I would also like to gently remind GSRs to please submit any NA related announcements or flyers to secretary@sena-na.net. This helps me organize, reflect, and keep accurate information in the minutes and do so in a timely manner. The current policy states that the Secretary has 14 days from the day the ASC meets to submit the minutes. This allows me plenty of time to get the job done, however, I like to have the minutes out in a more timely fashion (within 3-5 days from the ASC meeting) to leave the Groups with ample time to discuss and vote. It has not been atypical for me to track down reports every month from individual members. This becomes quite cumbersome, and ultimately halts the process of getting the minutes out. If we can work together to become more consistent and efficient, it would be greatly appreciated. In Loving Service, Chelsea P.

RCM: There is much to report on from our Region! Here is the re-cap:

- NRCNA 40 was a success. 335 people were in attendance. 12 States in attendance. \$9,271.37 returned to Region (includes seed money and profits).
- The Region is changing bank accounts to FNBO. This bank is in most cities in this Region.

Proposal #2:

EVANNA would like to host NRCNA 42 in 2026 in Norfolk at Divots Convention Center, Norfolk Lodge and suites In October – TBD for the exact dates. We have a verbal commitment for Oct 2nd-4th but will work with the convention center to get another date.

Intent: To host an awesome convention.

Financial Impact: \$4,000 seed money.

Submitted by: Ariel W – Chair

Public Relations: Phonline training was held for "Train the Trainer". We have been having online trainings in between Regions with now a total of approximately 30 volunteers trained for phonline. **We are still searching for a Phonline Coordinator** who will be responsible for maintaining the data for the phonline volunteers and schedules. **We are requesting a 12 Step call list for each area to be submitted to the committee.**

Additional information for your groups:

WCNA: 17,160 paid registrations plus about 1,300 free newcomer registrations. It was a great convention, however, there were way fewer addicts than anticipated. For reference, the WCNA in Orlando (the last WCNA that was held) had over 21,000 registrants. The breakeven point for WCNA 38 was around 24,000 registrations, so there will be a significant loss. There will be discussion about how and if it will be responsible and feasible to move forward with future World Conventions. I am sure we will hear more about that at the interim WSC and certainly have a plan by the in-person WSC in 2026.

Another thing the RD wanted to mention is that NAWS has talked for a long time about the fact that funding World services through literature sales is not sustainable nor probably the best in line with our principles. Through COVID, the fellowship stepped up greatly with individual member and Group/Area/Region donations to NAWS. It would be great to make this the primary way we fund services in NA. **Please consider making recurring donations to NAWS.** I personally donate a dollar for each year I've been clean every month.

November 28th, 2024 – Interim CAR/CAT posted - Remember that your delegate team will be grateful to do CAR/CAT workshops in your area. I am also sure there will be virtual options, and there will be a CAR/CAT workshop accessible via Zoom put on by the PSZF after the reports are made available. The CAR/CAT will be out between this NRSC and the next, and there is a short time between the next Region and the interim WSC. Please don't wait until January's NRSC meeting to try to get a workshop scheduled!

High points from NAWS: SPREAD THE WORD surveys, workshops, opportunities to give input, etc. The "When We Share" presentation at WCNA 38 was about committing to self-support. Please go to na.org/give to set up recurring contributions. This page highlights some of the services member contributions help provide.

Membership Survey: na.org/survey Please fill it out and remind members to do the same. The survey results help find out "who is missing," and educate professionals about the people and program of NA.

New Survey about Step Working Materials: na.org/survey (if you have resources you use to work Steps, please send them our way! wb@na.org)

Continue to send us photos! We really like to have photos from different NA events from around the world, especially service-related functions. It helps to keep a record of these events, and they get used for FD presentations. Upload link is on the convention page wcna.na.org or here. Please be sure you created the images or have approval to share them—and that everyone in the photos has given permission as well.

ONGOING REMINDERS: • **Please send any updated in-person or Zoom Meeting information to meetinglist@nebraskana.org and iit_committee@nebraskana.org.**

• **Send flyers for NA activities to activities@nebraskana.org.**

The next region will be January 11th – hosted by Fremont Area. 1500 N. Broad St. General Assembly will be 10 am to noon – CAR / CAT Workshop noon to 1 pm – lunch 1pm Subcommittee meetings – 2 pm RSC Meeting. Thank you for allowing me to be of service, Lori C.

SUBCOMMITTEE REPORTS

PUBLIC RELATIONS: Hey guys, some other members and myself went to Region PR. It was very informational for me and to better serve as PR chair. I have gone through the phone lists and we lost about half the list - and most that list needs retrained. GSRs: Please send this information back to your groups and let them know we need people who've been around a while to update their training. We will be having a training before the end of the year for H and I and the phone line! The more phone line trainees there are, the faster we can merge lines, so be on the watch out for that date. Other than this, things are looking exciting for PR! We are still looking for members to join the committee and help us serve our community. -Creston C.

LITERATURE: Hello SENANA, we released a flyer asking for willing members to join the committee. We meet at 1:30 PM on the first Sunday of every month prior to the ASC. We thought we were missing 150 white key tags; however, they have been found. This was due to a miscount. Going forward, please email all literature orders to the email address listed on the website (literature@sena-na.net) or senanaliterature@gmail.com. This will ensure that the committee has plenty of time to fill orders and submit the financial information to the SENANA Treasurer.

ACTIVITIES: Hello SENANA! We had our first bowling night of the season last night, bringing in about \$153 and 35 addicts. Our annual Halloween dance was a blast with a full house and brought in \$459. Our next bowling night is on December 14th, and we will also be helping with the Overstuff on Thanksgiving! We have repaid area for the startup funds we got for our pool party in August. We are excited to announce our committee is up to a whopping 8 members so whoop whoop! Love to see our committee grow and the interest in service! In Loving Service, Mariah W.

POLICY: I would like to remind all subcommittees that budgets need to be turned in as a motion next month. -Steven T.

Topic #2: ASC Records (Treasurer)

Dennis asked if the ASC has any Treasurer’s financial records or statements prior to 2022. Dennis also asked if the Treasurer could use the Activities’ storage space to store records/archives. Members of the ASC suggested that Dennis use electronic storage, which he stated would not be ideal for audits. Mariah W. stated the Activities subcommittee has room to store records. Dennis stated policy requires there to be an audit when Treasurer duties are passed along to a new trusted servant. Steven will help Dennis complete this within the next month or two.

Topic #3: Does this Area want to host a CAR/CAT meeting? Lori C. can arrange this if the groups in our Area decide to do this.

NEW ASC BUSINESS:
