If anyone has any feedback or suggestions for what they would like to see for the activities that will happen next year, please come to activities subcommittee. Also, if all gsr's will provide us with the dates of the activities they will be hosting next year ASAP. This will allow us to schedule on days that don't interfere with the dates of the group's activities, which will help us continue to serve the groups better and practice the spiritual principle of unity. Our next event will be bowl at Hollywood Bowl on November 9 th . Meeting starts at 6pm in the basement. Be there so you can stay square.

OLD BUSINESS-

Motion 1: Any archivable material concerning SENANA ASC and its accompanying subcommittees is the responsibility to collect and store in one centralized location within the Literature committee storage area. This is to be added to the secretary's duties in the SENANA guidelines. Intent: This is to direct the who and where we store all the materials collected throughout the course of our area business. At this time, we have nothing in our policy that covers who is responsible and where we store our previous minutes, policies, contracts, minutes, flyers, etc. There are also materials from years and decades passed that have been passed from person to person and place to place with no accountability of where they end up. This motion solves that issue. Submitted by Chad J. Second by Kameron I. Financial Impact-No, Change in Policy-Yes.
