POLICY:

Audit Ad-Hoc Committee:

Hello SENANA,

The audit ad hoc committee met with Angela F. on 4/16/2023 to complete the Activities sub committee financial audit. We thank Angela for her service and cooperation during this audit. All cash on hand was counted and verified. All transactions from Jan 22 through Feb 23 have been reconciled. No discrepancies were found. We encouraged the committee to always reimburse expenses using checks rather than cash which has been corrected. We also encouraged the committee to make deposits in a more timely manner which has also been corrected.

ILS,

Audit Ad-hoc committee

MOTION PASSES

OPEN FLOOR:

Topic 1: Last Month’s Minutes Uploaded To The Website

Aaron: Last month the minutes from the previous month were uploaded (April’s minutes)

Chelsea: I sent the correct minutes to Sam to be converted to PDF/Google Docs.

Aaron: What is the process for the minutes being uploaded to the website?

Chelsea: Once I am done writing the minutes, I email a Word document to Sam, who looks them over, converts them to a PDF and a Google Doc, then sends them back to me and I email them out. He also emails these 3 documents to Jordan H. who is responsible for uploading the minutes to the website.

Brittney: When do the minutes get emailed out?

Chelsea: After they get converted and sent back to me, I email them out as they are being posted to the website.

Topic 2: Regional Email on Police Surveillance

Chris: I got an email regarding what Howard was talking about. Police have been surveying the church where the Let It Out meeting is being held.

Howard: 3 people called me after this meeting Tuesday night. There is no undercover police officer. He claims to be a security officer. The badge he had, as far as I’m concerned, was ordered offline and it got to his head. They were attempting to steal a woman’s backpacks. None of this should have happened. The individual that has caused this problem, I’ve tried talking with him, and I have the responsibility of telling him at the next meeting that he can’t have anything showing that he is related to law enforcement, period. As far as turning an addict away, he cannot conduct himself in this manner. The church stated we could get an order blocking him from entering the church. I am sorry this happened in my absence. I showed up and opened the doors and asked him to make coffee, then all of this

happened. He is intimidating and scaring people and this is not what we are about. This is very much being addressed.

Bekka: Sounds like you are handling this really well.

Topic 3: NRCNA Ad-Hoc Committee

Steven: This is a committee that should be coming to the area every month, correct? They should be in roll call at least.

Beka: I will text Jae right now and we will have representation here at the next area.

NEW BUSINESS:

No new business.

PLEASE BRING YOUR REGIONAL VOTES TO THE NEXT AREA.
